

Sponsor Compliance Data

St. Aloysius, as the sponsor of this school, is legally mandated to provide oversight, monitoring, and technical assistance. As part of the monitoring process, the performance of the school is assessed and evaluated on each of the required Ohio School Report Card components. Additionally, St. Aloysius has a regular presence at school board meetings where student performance indicators such as attendance, behavior, and academic achievement are tracked and financial and organizational issues that impact student success are reviewed and discussed. Key to the oversight, monitoring, and technical assistance is St. Aloysius' review of the school's Ohio Improvement Process (OIP) plan development and implementation. As a result of our thorough oversight and monitoring, St. Aloysius has determined that this school is substantially compliant with the rules and regulations governing community schools.

All community school sponsors are required to submit a written report of the evaluation results of the school's academic, financial, and organizational performance, as well as the school's legal compliance with Ohio Revised Code, Ohio Administrative Code, and to the terms of the Community School contract. This report must be made available to parents of students enrolled in the community school by November 30th of each year under ORC 3314-023-CC. An Annual Report regarding the performance of this school and other schools under the sponsorship of St. Aloysius will be posted on our website at www.stalschildren.org/charterschools and www.charterschoolspec.com no later than November 30, 2024. Parents are urged to review this report in addition to other monitoring and evaluation reports available through the school or the sponsor for a full understanding of the school's performance.

Our Vision

Below are the core beliefs that in combination form the vision that provides the basis for the philosophical foundation of Cliff Park High School program. We believe:

- Everyone deserves a second chance at receiving a first-class education and being successful in life
- Everyone deserves a chance to become all that he or she can be
- Everyone learns at different rates and students should have educational choices that provide for each individual's needs
- A high school diploma will not only benefit those young adults that take advantage of the opportunities it offers, but through the rippling effect that the graduate him/herself will have over time, it will also benefit the community as a whole
- No one educational path is right for everyone
